Forestry and Lining-Out Stock

SPRING 1931

THIS list, while not complete, represents fairly closely the available stock of small seedling and transplanted evergreen and deciduous trees and shrubs. All stock, unless otherwise noted, first class nursery grown stock, fairly graded. On material or sizes not here noted, we shall be glad to quote. Also on special quantities we can make special prices. Otherwise these are our lowest terms.

TERMS—Half cash with order. The balance upon receipt. Credit accounts will be opened upon satisfactory reference and for sums in excess of Ten dollars.

PRICES—Special net. Packing is an extra charge, usually quite small, representing actual cost of material and labor involved. Transportation extra—but as this stock is light the charges are low.

ORDERS for 250 or more of one variety and size will take the rate per 1000. The rate per 100 will apply on all other orders. Less than 50 of one variety and size cannot be shipped, except for grafted stock where a price per 10 is listed, or by special quotation.

GUARANTEE—All stock to be in good condition. Claims for errors or shortage to be made within ten days.

12 to 18 in. X.....	6.00	40.00
18 to 24 in. X.....	7.00	50.00

RIGA SCOTCH PINE

(Pinus sylvestris var. Rigensis)

This has long been known among foresters as a type altogether superior to ordinary Scots Pine.

Where the type grows straggly and with a crooked leader, the Riga variety puts up a straight clean trunk.
